Amount shown highlighted in Yellow

- This figure goes in the “Upfront Debit” Amount part of the form, with a date for it to be debited from the account filled in beside the amount

Upfront Debit Date

The club requires the “Upfront Debit” amount to be paid before a player can be approved to play the season. The following are the dates for each age group. Payment form should be sent to the club 4 business days prior to the payment date to enable processing. Earlier payment start dates are encouraged. The dates shown below are the last dates required to ensure no games are missed.

	Junior – Competitive and non-competitive	Seniors Competition	Seniors playing the FFA Cup
Season Start	13/03/2021	07/04/2021	13/03/2021
Upfront Debit Date – fill in on form	10/03/2021	02/04/2021	10/03/2021
Submit form before:	04/03/2021	29/03/2021	04/03/2021

Amount shown highlighted in Blue

- This figure goes in the “Amount Reached” Amount part of the form

Amount shown highlighted in Green

- This figure goes in the “Recurring Debit” Amount part of the form, with a Weekly or Fortnightly selected filled in beside the amount. The “Start Date” below the amount is required to be filled out with the date the debit is authorised to start occurring.

Fair Play Voucher

If you have a Fair play Voucher, the minimum payment values are as shown in the table below:

Marlin Coast Rangers Registration Fees Direct Debit – With Fair Play Voucher	roos U6- U11	Junior Competitive U12	Junior Competitive U13 & U14/U15	Juniors playing Seniors
UPFRONT Debit Amount	\$0	\$0	\$0	\$0
Amount Reached value Remainder Value	\$140.00	\$170.00	\$190.00	\$190.00
10 weeks Recurring Debit Value - Weekly	\$14.00	\$17.00	\$19.00	\$19.00
5 fortnights Recurring Debit Value - Fortnightly	\$28.00	\$34.00	\$38.00	\$38.00

To pay a larger amount than the minimums shown above:

If you are able to pay a larger amount each week/ fortnight, work out the payments each period as shown below:

- Select your table – With or Without Fair Play Voucher
- “Upfront Debit” amount values remain the same as shown in the selected table
- Divide the Remainder value (highlighted in blue) by the number of payments required
- Fill in the new Payment Amount value as the Recurring Debit amount

Eg. for a Junior Competitive U12 Player, no Fair Play Voucher

Remainder value = \$183

Number of payments = 4

Payment Amount = $183/4 = \$45.75$ – add as the Recurring Debit value to the form and select Weekly or Fortnightly Frequency
